

# Grace & Truth

## Leadership Seminar

Grace and truth sit at the heart of our understanding of the incarnation itself, not only showing us how Jesus came, but how He did what He did.

But though grace and truth offers a glorious framework for the belief and behaviour of the Church's call and mission, it also represents a paradoxical challenge to our missional practice and discipleship.

As followers of Jesus we are called to embrace this challenge allowing the power of Jesus' incarnation to work in us and through us.
